

DURATION 1HR

MATERIALS REQUIRED—SCISSORS, PENCILS PAPER OR PRINTER

ACTIVITY NAME - Bike Parts Treasure Hunt

Aim: Hunt around your home for all 13 hidden bike parts. Label the bike correctly and write down all the red letters in the box. Once you have found all the parts, unscramble the red letters to reveal the hidden message.

Instructions:

1. Print off attached file or have kids draw the clues with a pencil.
2. Cut out the clues and hide them around the house. The better the hiding place the longer the activity will take :)
3. Have kids find the clues and unlock the puzzle

TYRES

CHAIN

FORKS

BRAKES

HUB

LIGHTS

SHIFTER

FRAME

GEARS

HANDLEBAR

PEDALS

SPOKES

WHEEL

Sustrans Active Travel Treasure Hunt!!

Hunt around the school for all 13 hidden bike parts. Label the bike correctly and write down all the red letters in the box. Once you have found all the parts, unscramble the red letters to reveal the hidden message.

Sustrans Active Travel Treasure Hunt!!

A hand-drawn diagram of a bicycle with various parts labeled in blue ink. The labels include: SHIFTER, HANDLEBARS, TYRES, BRAKES, FORKS, HUB, FRAME, LIGHTS, WHEEL, SPOKES, GEARS, CHAIN, PEDALS, and a box containing the text "Red letter box". The bicycle is shown from a side profile, facing right. It has a black frame with "TREK" written on it. The front wheel is larger than the rear wheel. The rear wheel has a gear cassette and a chain. The front wheel has a hub and spokes. The handlebars are at the top left, with a shifter attached. The seat is at the bottom left. The pedals are at the bottom center. The chain connects the pedals to the rear gear. The lights are mounted on the front fork. The wheels have tires and spokes. The frame consists of several tubes connecting the handlebars, seat, and wheels. The overall drawing is simple and appears to be done by a child or student.
