# *family* PREDICTIONS *game 2020*

## So who called it in 2020? Can you remember your predictions?

You can fill it in for your own county but here is an overview of how 2020 on the field shaped up?

From club to county we had some surprises and stunning performances at all levels.

If we needed it, we have been reminded of how much the GAA means to us on and off the field.

So as we call a close on an unprecedented year, who in your house called it right for 2020?

what would he call it and who would make  
THE FIRST 15?**

So here is his surprising response, then again it is going to take something special in 2021. So if you could pick anyone for your Super Team, who would it be and why?
